Gina -

Barry has June 13 meeting on his calendar for a TRAR Principals - Tribal leaders meeting. I also understand there is a June 27 Tribal management conference meeting in the works. Do you know if both are happening? My recollection was that we were going to combine the two meetings so that we didn't need to tie up our principals twice.

Any insight? Thanks!

Hi Linda, Here are the materials for Michelle's briefing on Monday, 5/22 and the agenda for the TRAR principal's meeting on Tues, May 23. The attached letter is for Michelle's eyes, and she can decide if she wants to share it with the other Principals.

Also, I wasn't sure if Alan McBee, from NRCS is on your list of principals yet, but he is filling in for Roylene while she is on a detail in DC.

Thanks so much for your help with this.
